Dear Applicant,

Thank you for your interest in Willows at Greenwich. We are contacting you to provide an important update regarding the application process for the Willows at Greenwich. The Township of Greenwich Ordinance #03-2018 requires a random selection (lottery) for all applicants of the Willows of Greenwich. Within this ordinance, there is also a preference for individuals/families who reside **and/or** work in the following NJ Counties: Warren, Essex, Union and Morris Counties that we will also have to abide by when completing the random selection process.

In compliance with these updated guidelines, we will accept applications **until March 26, 2025 at 5 pm**, at which time we will conduct a random selection (lottery) from all applicants. You will be notified in writing if your application has been selected or if you will be placed on the waiting list. If you are selected, we will proceed with the qualification process. Once you receive notification that you have been chosen as part of the random selection process, you will have 5 business days to respond to begin your application process.

We apologize for any confusion you may have if you have previously received different information regarding our application process. If you have any questions, please feel free to contact our office at 908-388-1857.

We appreciate your understanding as we implement these required Township of Greenwich Ordinance #03-2018 procedures.

Sincerely,

Management

The Willows at Greenwich
